Special Issue

Selected Papers from the 8th International Conference on the Application of Physical Modelling in Coastal and Port Engineering and Science (CoastLab2020)

Message from the Guest Editors

On behalf of the CoastLab2020 Organizing Committee, it is our great pleasure to invite you to participate in the 8th International Conference on the Application of Physical Modelling in Coastal and Port Engineering and Science (CoastLab2020) from the 9th to the 12th of December, 2020, in Zhoushan, China. CoastLab2020 is organized under the auspices of the International Association of Hydro-Environment Engineering and Research (IAHR). It will be jointly hosted by Zhejiang University, Dalian University of Technology, Sichuan University and Zhejiang Ocean University, and coorganized by Hohai University. CoastLab2020 will build on the successes of previous conferences held in Porto (2006), Bari (2008), Barcelona (2010), Ghent (2012), Varna (2014), Ottawa (2016) and Santander (2018). It will provide a stimulating and enriching forum to discuss the latest developments in physical modelling applied to coastal engineering and new trends in coastal sciences. We are excited to have the president of IAHR, Joseph H.W. Lee, joining to celebrate this conference with all of us! This Special Issue presents a selection of papers from the conference.

Guest Editors

Prof. Dr. Zhiguo He

 Institute of Port, Coastal and Offshore Engineering, Ocean College, Zhejiang University, Zhoushan 316021, China
State Key Laboratory of Satellite Ocean Environment Dynamics (Second Institute of Oceanography, MNR), Hangzhou 310058, China

Prof. Dr. Dezhi Ning

School of Hydraulic Engineering, Dalian University of Technology, Dalian 116023, China

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

The Journal of Marine Science and Engineering (JMSE, ISSN 2077-1312) is an international peer-reviewed open access journal which provides an advanced forum for studies related to marine science and engineering. The journal aims to provide scholarly research on a range of topics, including ocean engineering, chemical oceanography, physical oceanography, marine biology and marine geosciences. We invite you to publish in our journal sharing your important research findings with the global ocean community.

Editor-in-Chief

Prof. Dr. Charitha Pattiaratchi Oceans Graduate School and The UWA Oceans Institute, The University of Western Australia, Perth, WA 6009, Australia

Author Benefits

High Visibility:

indexed with Scopus, SCIE (Web of Science), GeoRef, Inspec, AGRIS, and other databases.

Journal Rank:

JCR - Q1 (Engineering, Marine) / CiteScore - Q2 (Civil and Structural Engineering)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.9 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2024).
