

## Special Issue

# Transnational and Transdisciplinary Lessons of COVID 19 From the Perspective of Risk and Management

### Message from the Guest Editors

The Special issue will engage in a transnational and transdisciplinary exercise in reflexivity, consisting of a mix of research articles, review articles as well as short communications which address one or more of the cutting-edge issues at the transdisciplinary and/or transnational intersection on the COVID-19 pandemic:

- COVID-19 from the perspective of risk and management
- Economic and financial consequences of COVID-19
- Psychological, medical, and environmental markers of COVID-19
- Trust and transparency as governance tools for COVID-19
- Risk and resilience as coping strategies for COVID-19
- Crisis management and governance
- Global perspectives and experience on governance and societies in the pandemic
- Public opinion and COVID-19
- (Social) media communication strategies
- Big data, smart apps, and the pandemic
- The world after COVID-19
