

Topical Collection

Feature Papers in Mathematical and Computational Applications 2024

Message from the Collection Editors

We are pleased to announce that the journal *Mathematical and Computational Applications* is presently compiling a collection of papers submitted exclusively by our Editorial Board Members (EBMs) and outstanding scholars in this research field. The purpose of this collection is to publish a set of papers that typify the most insightful and influential original articles or reviews in which our EBMs discuss key topics in the field. We expect these papers to be widely read and highly influential. All papers in this collection will be collected into a printed book edition that will be extensively promoted. s
