

## Special Issue

# Feature Papers in Food Chemistry—3rd Edition

### Message from the Guest Editors

It is our pleasure to announce the 3rd Edition of the Special Issue entitled “Feature Papers in Food Chemistry”. This is a collection of important high-quality papers (original research articles or comprehensive review papers) published in open access format by Editorial Board Members or prominent scholars invited by the Editorial Office and the . This Special Issue aims to discuss new knowledge or new cutting-edge developments in the food chemistry research field through selected works in the hope of making a great contribution to the community. We intend for this Special Issue to be the best forum for disseminating excellent research findings as well as sharing innovative ideas in the field. For the previous two editions, more information can be found at the following link: [Feature Papers in Food Chemistry—2nd Edition Feature Papers in Food Chemistry](#)

### Guest Editors

Prof. Dr. Tristan Richard

Institut des Sciences de la Vigne et du Vin, Université de Bordeaux, ISVV, UR Enology, 33882 Villenave d’Ornon, France

Dr. Mirella Nardini

CREA Research Centre for Food and Nutrition, Via Ardeatina 546, 00178 Rome, Italy

### Deadline for manuscript submissions

30 June 2025

## About the Journal

### Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

---

### Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

#### Journal Rank:

JCR - Q2 (Chemistry, Multidisciplinary) / CiteScore - Q1 (Chemistry (miscellaneous))

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.1 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the second half of 2024).
