

Special Issue

Bonding in Inorganic and Coordination Compounds

Message from the Guest Editor

Molecules are defined by the bonds connecting their constituent atoms and ions. Thus, it is appropriate and overdue to dedicate a Special Issue of *Molecules* to the topic of bonding. The theme of this Special Issue of *Molecules* is 'Bonding in Inorganic and Coordination Compounds', and I invite both retrospective and current research contributions, as well as manuscripts that contribute towards the development of bonding analysis, and to chemical education.

Guest Editor

Prof. Dr. Catherine Housecroft

Department of Chemistry, University of Basel, Building 1095,
Mattenstrasse 22, Postfach, CH-4002 Basel, Switzerland

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Chemistry, Multidisciplinary) / CiteScore - Q1 (Chemistry (miscellaneous))

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.1 days after submission; acceptance to publication is undertaken in 2.8 days (median values for papers published in this journal in the first half of 2024).
