Special Issue

Feature Papers in Onco

Message from the Guest Editor

We are pleased to announce that the journal *Onco* is now compiling a collection of papers submitted exclusively by the Editorial Board Members (EBMs) of our journal and outstanding scholars in this field. The Special Issue engages in a variety of important breakthroughs in oncology from discovery research to novel therapeutics. The purpose of this Special Issue is to publish a set of papers that typifies the very best insightful original articles and reviews where our section EBMs and outstanding scholars discuss key topics in the field. We expect these papers to be widely read and highly influential within the field. All papers in this Special Issue will be collected into a printed edition book after the deadline, and will be well promoted.
