

Special Issue

Feature Papers of Ruminants 2024–2025

Message from the Guest Editors

For this Special Issue of *Ruminants*, we are seeking the submission of manuscripts from all ruminant-related fields from our international readers, aiming to compile research that sheds light on the efficiency and significance of ruminant animals in food production in addition to the relationship between animal production and the different diets of ruminant animals, including their contribution to environmental impact.
