

## Special Issue

# Agricultural Environment and Rural Economy, Policy and Sustainable Development

### Message from the Guest Editors

In this special issue the contributions that may help to analyse the impact of these new trends in economy, society and environment will be welcomed. Submissions could be related, but not restricted to the following topics: - Agricultural policies. - Rural development. - Local and global markets. - New technologies in agriculture and environment. - International trading. - Agrifood marketing. We would be pleased if researchers from different disciplines such as economics, management, business, marketing, sociology, statistics and others were willing to send us their contributions.

### Guest Editors

Dr. Margarita Maria Brugarolas Molla-Bauza  
Universidad Miguel Hernandez de Elche/Disabled, Elche, Spain

Dr. Laura Martinez-Carrasco  
Universidad Miguel Hernandez de Elche, Elche, Spain

### Deadline for manuscript submissions

27 November 2024

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
