Bank Management, Finance and Sustainability

Message from the Guest Editors

This Special Issue of *Sustainability* will comprise a collection of empirical and theoretical studies covering a wide range of themes related to bank management, finance and sustainability. In particular, we encourage submissions that address issues related (but not limited) to the following main topics:

- Sustainable banking management;
- Socially responsible investments;
- ESG/CSR and banks' management and financial performance;
- Banks' contribution to SDGs;
- Impact finance;
- Financial literacy and financial education initiatives;
- Financial inclusion and access to finance;
- Microfinance and sustainability.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
