

## Special Issue

# Ecosystem Services for Sustainable Governance

### Message from the Guest Editor

The Ecosystem Services (ES) concept rapidly gained popularity among researchers and decision-makers in the last two decades as suitable argument to harmonize conservation and human well-being.....

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
