

Special Issue

Sustainable, Responsible and Innovation-Driven Tourism. Economic, Social and Educational Dimensions

Message from the Guest Editors

Sustainable tourism has become a necessary response to the negative impact of mass tourism. This special issue calls for both theoretical and empirical articles, including case studies discussing the following topics:

- Sustainable tourism
- Responsible tourism
- Tourism in natural protected areas
- Innovation in tourism
- New technologies in tourism
- Digitalization in tourism
- Sharing economy and collaborative consumptions in tourism
- CSR and tourism
- Response of tourism and hospitality industry to climate change
- Education for sustainable and responsible tourism
- Sustainable and innovative tourism – economic growth nexus
- Sustainable and innovative tourism – job creation nexus
- Sustainable and innovative tourism – social and cultural empowerment nexus

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
