

Special Issue

New Business Models: Sustainable. Circular. Inclusive

Message from the Guest Editors

This Special Issue of *Sustainability* will comprise manuscripts from the 5th International Conference on New Business Models: Sustainable. Circular. Inclusive. It is possible that additional manuscripts will be used to complement those from the conference. The conference will be held in Nijmegen, The Netherlands on 1–2 July 2020 and hosted by Radboud University. See: <https://www.nbmconference.eu/> Of special interest are manuscripts carefully aligned with the conference theme and that integrate any or all of sustainability, circularity and/or inclusiveness into business models that drive triple top line strategy into triple bottom line performance and impacts. Similarly, manuscripts associated with business models that infuse socially or environmentally motivation innovation are of interest. Collectively then, this *Sustainability* Special Issue is focused on New Business Models: Sustainable, Circular, Inclusive.
