

Special Issue

Sustainability and Hospitality in Tourism Experiences

Message from the Guest Editors

The emphasis of this Special Issue intend to cover aspects related to measure tourists' preferences (cases of study, surveys, instruments, etc...) regarding the degree to which they accept (or prefer?) experiences in tourism facilities or cultural programmes with sustainable characteristics. We aim to gather papers related to psycho-social and/or environmental sustainability with a particular focus on gender, age and/or physical differences of tourist.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
