Message from the Editor-in-Chief

We would like to introduce you to a new international open-access journal *Venereology*, covering all aspects of *Venereology* science. This journal aims to efficiently publish peer-reviewed articles over the internet free of charge to the worldwide community. Original as well as review papers are encouraged. We will also publish Special Issues as proceedings of scientific conferences and workshops as well as those dedicated to particular contemporary themes. On behalf of our distinguished editorial board, we welcome your contributions.

Editor-in-Chief

Prof. Dr. Jacek C. Szepietowski

Associate Editor

Prof. Dr. Michael Ross

Aims

Venereology (ISSN 2674-0710) is an international, peer-reviewed, open access journal covering all aspects of sexually transmitted diseases, including epidemiology, etiology, diagnosis, dermatosis, and treatment. The journal publishes original research articles and reviews on both general research and clinical practices and encourages scientists to publish their experimental and theoretical results in as much detail as possible.

Scope

The scope of *Venereology* includes:

- Fungal STDs
- Bacterial STDs
- Viral STDs
- Parasitic STDs
- Acquired immune deficiency syndromes
- Pathophysiology of STDs
- Epidemiology of STDs
- Prevention, diagnosis, and management of STDs
- Co-infections or complications of STDs
- Studies of pathogenic viruses/bacteria associated with STDs
- STDs and cancers
- Venereology and dermatology

Author Benefits

Open Access

Unlimited and free access for readers

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures, or use of colors

Rapid Publication

A first decision is provided to authors approximately 56.3 days after submission; acceptance to publication is undertaken in 6.9 days (median values for papers published in this journal in the second half of 2024)
